Recycling Update

Did you know that plastic milk jugs, water bottles, plastic bags, and more can be dropped off in the large bin in the Walmart entrance? We have checked and it is okay to take your home plastic recycling to Walmart. It eventually is baled up with their cardboard and send on to a recycling center.

Newspapers can be dropped off in the empty lot by Ace Hardware on the 1st Saturday of each month.

Newspapers, cardboard, and mixed paper is picked up by the city on the plaza, beginning at 8:30am, on the 3rd Saturday of each month. Go early as their truck fills up quickly!

The student council is working to revive our school classroom recycling efforts, but it really helps when families can take care of their home recycling.

We encourage everyone to make recycling a natural habit.
