

CVCS Mission Statement

CVCS offers a rigorous academic program designed to meet the individual needs of each student. CVCS will promote leadership, civic responsibility, and environmental awareness. Through community engagement, CVCS students will understand their effects on the world around them. The School offers the community a parent-driven public school choice in which teachers, students, and parents are partners.

Malka has an older sister, Hannah-10, and a younger brother, Yonah-7. She has two dogs named Sherlock and Hundini, and two cats named Shadow and Socks. In her free time, Malka likes to play outside, watch TV, and swim. Last summer Malka went to Colorado and hiked, camped, went to museums, and visited Denver. When Malka grows up she wants to be a scientist. Congratulations, Malka, you are a superstar!

Report Card Update

The end of the first nine weeks was Friday, October 18. We are changing to a report card format that is generated in the new PowerSchool data reporting software that the district implemented over the summer. If all goes well with the new system, report cards may go home the beginning of November.

The 8th grade is collecting metal to recycle as a fundraiser. We want your brass, copper and aluminum. Call Ms. Lujan at 505-400-3034 to arrange drop-off. Thank you!

Support CVCS at the County Commission Meeting Tomorrow!

6:00pm Tuesday, October 22

**Meeting will be held at the County Annex Building
(across and down the street from CVCS)**

Math Night!

Please read the fundraising opportunity letter that your child received today. This is a fantastic opportunity for CVCS, but 80% of the students must return signed releases before the money will be distributed. A HUGE thank you to the parents who signed the release forms at Math Night last Thursday!
