CVCS Mission Statement

CVCS offers a rigorous academic program designed to meet the individual needs of each student. CVCS will promote leadership, civic responsibility, and environmental awareness. Through community engagement, CVCS students will understand their effects on the world around them. The School offers the community a parent-driven public school choice in which teachers, students, and parents are partners.

A big thank you to Delilah Walsh, CVCS Governing Council member and Socorro County Manager, and the County Commission for approving the ordinance to borrow \$1,000,000 to build CVCS's new classrooms!

Please read, sign, and return the fundraising opportunity letter that your child received last week. This is a fantastic opportunity for CVCS, but 80% of the students must return signed releases before the money will be distributed. Right now we need releases from 90 more students to reach our goal! A big thank you in advance from the library for returning a signed release!

Report Card Update

The end of the first nine weeks was Friday, October 18. We are changing to a report card format that is generated in the new PowerSchool data reporting software that the district implemented over the summer. If all goes well with the new system, report cards may go home the beginning of November.

The 8th grade is collecting metal to recycle as a fundraiser. We want your brass, copper and aluminum. Call Ms. Lujan at 505-400-3034 to arrange drop-off. Thank you!

Halloween will be a typical school day at CVCS.

**CVCS Celebrated Halloween at the Halloween Dance
last Friday.**

**PLEASE, NO COSTUMES/NO TREATS at CVCS on
Thursday, October 31.**

Enjoy the holiday AFTER SCHOOL WITH YOUR FAMILY.

THANK YOU!
