

## CVCS Mission Statement

CVCS offers a rigorous academic program designed to meet the individual needs of each student. CVCS will promote leadership, civic responsibility, and environmental awareness. Through community engagement, CVCS students will understand their effects on the world around them. The School offers the community a parent-driven public school choice in which teachers, students, and parents are partners.

May 5

## Parents, please help your child get to school on time! Thank you.

Congratulations, kindergarten super-spellers! Six kindergartners: Logain Aguilar, MiKayla Valdez, Sienna Bunning, Emmy Riley, Ashley Gaytan, and Haylie Jojola will compete in the district spelling bee on May 1. Good luck to all of you!

## Governing Council Members Needed

CVCS needs your help! If you are interested, please get the form for the letter of intent from the school website, cottonwoodvalley.org, or stop by the office and pick one up. Letters of intent need to be received by May 2, 2014. Please stop by the office or call if you have any questions about the Governing Council and the duties of the members. Thank you for your consideration! Remember, parents started Cottonwood Valley Charter School and are a critical part of our continued success!

Jenna has a twin sister named Kacey, and an older brother, Trey-22. She has five dogs named Rebel, Maggie, Poco, Tug, and Romeo; four cats named Jelly Bean, George, Smokey, and Ti-gress; and five horses named Skipper, Pandora, Bowdy, Bay, and Calvin. In her free time, Jenna likes to play with Poco, Legos, and her wii. Jena once went to a beach house in Connecticut. She found seashells on the beach and sat by a fire. She also took a train to New York City. When Jenna grows up, she wants to be a fashion designer for dresses and hair. Congratulations, Jenna, you are a superstar!

Congratulations to 7th graders Samantha Hurtgen and Catalina Petrie who will compete at the Super Computing Challenge in Los Alamos on April 21 and 22!

Their project is: *Affects of Wetlands on the Population of Anophelous Mosquitos and the Spread of Malaria.*

Erick Chavez, an engineering student at NMT, has been their mentor.

The Mission of the New Mexico Super Computing Challenge is to teach teams of middle and high school students how to use powerful computers to analyze, model, and solve real world problems.

Good luck, Team Cottonwood!

## **IMPORTANT! Parents of 6th Graders:**

**Please plan ahead! To enroll in 7th grade, your child needs a T-DAP immunization BEFORE SCHOOL STARTS ON AUGUST 18, 2014! Students who are not immunized will not be allowed to begin classes until they have the shot.**

**2014-2015 Kindergarten Lottery April 25 at 3:00pm in the library**

**If you have a child/sibling who will enter kindergarten this August, please stop by the office and fill out an intent to enroll form for the April Lottery.**

**If you have friends or family interested in CVCS, please tell them to fill out an enrollment form before the April lottery.**
