CVCS Mission Statement

CVCS offers a rigorous academic program designed to meet the individual needs of each student. CVCS will promote leadership, civic responsibility, and environmental awareness. Through community engagement, CVCS students will understand their effects on the world around them. The School offers the community a parent-driven public school choice in which teachers, students, and parents are partners.

School supply lists for the 2014-2015 school year will be sent home in your child's final report card. The lists are also available on the school website:

FIELD DAY 2014

May 29 at Tech Field

Parents Needed!

Come spend a fun day with your child and his/her friends while you cook hamburgers and hot-dogs at lunch, bring a potluck dish to share, or plan and execute fun outdoor activities for children! Please let your child's teacher know if you can help out with this end-of-the-year fun day!

Egg Drop!

May 29 at 8:30am is when the fun begins! The Socorro Electric Coop will be at Cottonwood to drop the eggs, so please help your child design an indestructible egg protector with the guidelines that will be sent home later this week.

If you have any questions, please contact Ms. McSherry, the middle school science teacher.

WE WANT YOUR LABELS FOR EDUCATION!

Check your Goldfish bags, your Pepperidge Farms cookie bags, and bring those, along with any other Labels you may have, to CVCS before May 28 to participate in another bonus opportunity!

Thank you!
