*If you were stuck on an island with a hammer, a parrot, and the world's largest ball of twine, what would you do?* I would build a house with the hammer, twine and palm leaves and I would talk to the parrot.

Malka has a sister Hannah-11, and a brother, Yonah-8. She has a cat named Shadow and two dogs named Hundini and Sherlock. In her free time she likes to ride her bike, read and play. Malka went to the pier in Santa Cruz, California, last summer and rode lots of rides: the bumper cars, the carousel, the space cars, the roller coaster and more! When Malka grows up she wants to be a doctor. Congratulations, Malka, you are a superstar!

The drive entrance to the parking lot off Neel has a yellow curb, which designates no parking. When dropping off or picking up your children, use the drop-off turnaround on West Place, by the park. Please DO NOT drop off your child on Western Ave., at the BUS lane, or in the school parking lot. If the lot at CVCS is full, please park in the empty lot across the arroyo and walk to campus using the bridge. We encourage children and staff to walk or ride bikes to school!

We need your Pepperidge Farms labels before October 10 to participate in a bonus opportunity from Labels for Education.

All labels help earn free things like playground toys for Cottonwood!

Thank you!
