## Attendance Policy Changes

Please read the attendance policy in the new handbook your child brought home last week. The attendance policy has changed from last year, and it is important that you be aware of these changes. Please call the office if you have any questions.

The early release day on Wednesday, October 8 has been cancelled, and the new early release date is Wednesday, October 15.

The original date was cancelled because October 8, 2014 is the 40th day of school, and this is a very important date on a school's calendar because the attendance count on this date determines much of a school's funding.

The district is asking all students who ride the buses to PLEASE ride the bus on Wednesday, October 8. The more students who ride the bus, the more money will come to the Socorro School District, which helps with additional services and resources for the students of Socorro.

If you have any questions about this request, please call the CVCS office or the Socorro School District Office at 835-0300.

Thank you for supporting the education of Socorro children!

Anissa has been to Las Vegas, NV, where she had a fun time. On the way to Vegas, she stopped by the Grand Canyon. It was beautiful! When Anissa grows up, she wants to be an eye or a heart doctor. Congratulations, Anissa, you are a superstar!

The drive entrance to the parking lot off Neel has a yellow curb, which designates no parking. When dropping off or picking up your children, use the drop-off turn-around on West Place, by the park. Please DO NOT drop off your child on Western Ave., at the BUS lane, or in the school parking lot. If the lot at CVCS is full, please park in the empty lot across the arroyo and walk to campus using the bridge. We encourage children and staff to walk or ride bikes to school!
