If you were stuck on an island with a hammer, a parrot, and the world's largest ball of twine, what would you do? Tie the twine to the parrot and use the parrot for bait. Then use the hammer to catch my food. Twine burns so I can cook my food.

Riley has an older sister, Faith-11 and a younger brother, Miles-3. He has nine chickens, three cats named Pumpkin, Pie, and Blackjack, and two dogs named Evie and Tesla. In his free time, Riley likes to go on adventures, watch movies in the home theater room in his house, and ride horses. Riley loves to go to the ghost town of Riley, New Mexico, which is close to Magdalena. He has ridden the Cumbres and Toltec steam engine train, and he spent a week camping last summer. When Riley grows up, he wants to be a mechanical engineer. Congratulations, Riley, you are a superstar!
