CVCS Mission Statement

CVCS offers a rigorous academic program designed to meet the individual needs of each student. CVCS will promote leadership, civic responsibility, and environmental awareness. Through community engagement, CVCS students will understand their effects on the world around them. The School offers the community a parent-driven public school choice in which teachers, students, and parents are partners.

If you were stuck on an island with a hammer, a parrot, and the world's largest ball of twine, what would you do? I would tie the ball to a parrot and the parrot would fly me. I would use the hammer as a sword.

Robynson has a younger brother, Keller-5. He has two dachshunds named Jasper and Jimmy. In his free time, Robynson likes to ride his bike and see friends. Robynson has been to Legoland in California. When Robynson grows up, he wants to drive off-road race cars. Congratulations, Robynson, you are a superstar!
